

DTP.team is an online platform designed to streamline OCR and DTP workflows, featuring a vendor company as the heart of its operations. Regardless of the communication channel, whether it be email, platform or API, we provide project managers with real-time responses and efficient solutions.

Core services

PDF > DOCX

Dead text on
images > Live

PDF > PPTX

PDF >
Bilingual tables

Rates and deadlines

\$ 0.5-2

per page

More for ultra-hard pages

Small projects

Shoot as much as you can!

We can quickly process dozens of small projects for you with the same day or next morning delivery

Huge projects

You can count on us to deliver 250 pages tomorrow morning and 500+ pages per each day afterwards.

We ensure consistency between files and on-time delivery.

Latin extended, Cyrillic: full capacity | Asian, RTL languages: limited capacity

24/7 online platform

Project	Actions	Rate	Deadline	Files	Pages
New project	   Send 	...	02/05, 10:00 am	6	97
☐ File name	Act	Pages	Task	Deadline	
☐ - 1 You can upload a zip with folders -
